Alphabet Grab & Color

Students grab a magnet and color the matching letter. Three sheets included – lowercase, uppercase and mixed. Printable letters included too in case you don't have magnetic letters.

I Spy Mats

Students search for the pictures that match the beginning sound shown on the mat. They can cover the objects with small items such as pom-poms/erasers or circle them with erasable marker. Includes 26 mats.

Make and Trace Mats

Students fill the letters with pom-poms, beads, mini-erasers, playdough or other small objects. Then, they trace the letters using erasable marker. 26 mats included.

A blank and white (ink-friendly) version is included too.

Beginning Sound Cards

Students match the letters to the cards. Can be completed with magnetic letters or the cards can be written on with erasable marker. 52 cards included.

Letter Identification

Students locate and cover the lowercase and uppercase letters that match the mat. There are 2 to a page, 26 mats in total.

Middle Sound Cups

Students sort the CVC words by their short vowel sound. Can be used with cups or bowls. 30 sorting cards included.

Match the Letter

Students match the letters. Great for letter identification and lower/uppercase matching. Use with letter magnets or erasable marker.

Sound Match

Students write the beginning, middle, ending sound of each picture. 5 different boards are included (2 beginning, 1 middle, 2 ending).
