Students say the sound, read the sound, trace the letters, read the words and graph the sounds. The worksheets become more difficult as sounds become more difficult. I.e. with normal alphabet sounds, students only need to paste the beginning sound whereas with more complex sounds, students build the entire word.

HEART WORDS

285 WORKSHEETS

Untaught and irregular sounds are hearted. Students say the word, heart it, map it, graph it, write it and build it.

The image shows two overlapping worksheet cards. The top card is for the word 'her' and the bottom card is for the word 'away'. Each card has a 'Name:' field at the top right. The 'her' card includes a 'Say it' section with a heart icon and the word 'her', a 'Graph it' section with a grid and a wrench icon, and a 'Build it' section with a dashed line containing the letters 'y' and 't'. The 'away' card includes a 'Say it' section with two heart icons and the word 'away', a 'Heart it' section with the word 'away', a 'Map it' section with five circles and a wrench icon, a 'Graph it' section with a grid and a wrench icon, a 'Write it' section with three lines, and a 'Build it' section with a dashed line containing the letters 'n', 'u', 'r', 'a', 's', 'w', 'a', 'y', 'p'.
