## Sorting Verbs

Students select a card and decide whether the word is a verb or not. Then, they write the word in the matching box. There are 24 cards included.

The image shows a collection of 24 colorful cards with words and illustrations. The words on the cards are: smart, crawl, read, dig, sing, walk, king, run, dance, fly, bug, swim, mermaid, and scary. Below the cards is a sorting worksheet titled "Sorting Verbs" with a name line and the instruction "Sort the words by whether they are verbs or not." The worksheet has two columns: "Verbs" and "Not Verbs". The words "run", "walk", "read", "fly", "eat", "popcorn", "King", "frog", and "scary" are already written in the boxes. A hand is holding a card with the word "cry" and a drawing of a crying baby, and another hand is holding a pink Sharpie marker, ready to write the word in the "Verbs" column.
