## Camping Trip

On Saturday night my dad and I went on a camping trip at Oroville Lake.

First, we put our tent up. It took a long time and my dad got mad.

Next, we made a bonfire and ate some marshmallows. The bonfire kept us warm.

Last, we went to sleep. I had a flashlight so that we could see in the dark.

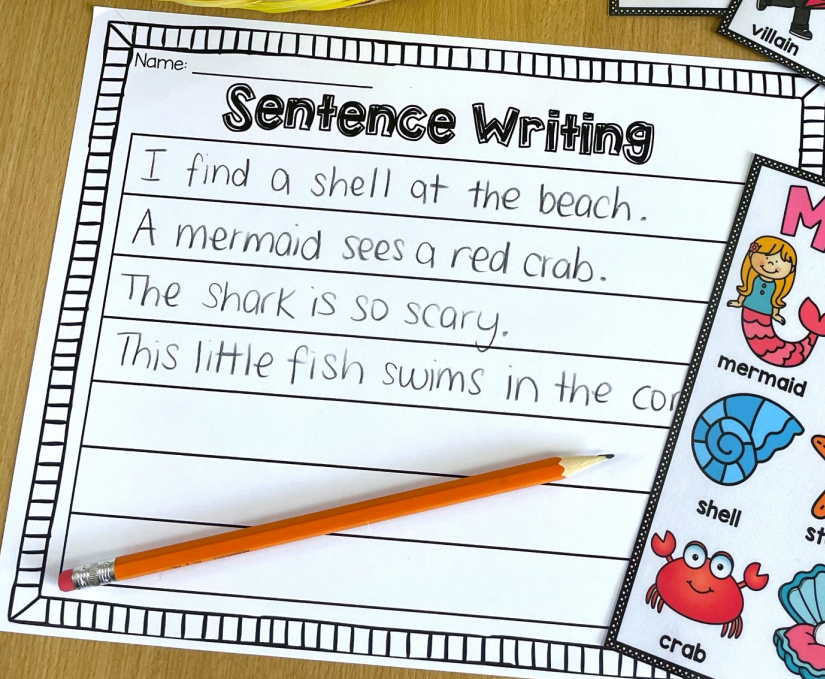

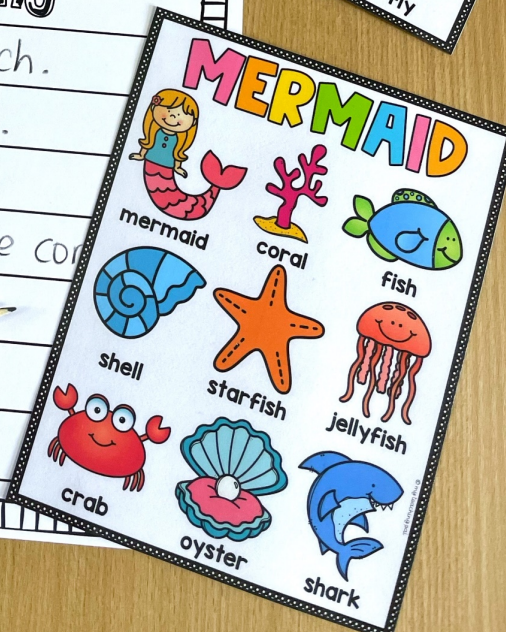

I had a really good time at Lake Oroville and I can't wait to go again.

# HOW CAN I USE THEM?

Use the half-page version as a sentence writing center for Kindergarten and First Graders.

The sentence writing worksheet shown in the image is also included!

# HOW CAN I USE THEM?

Use them to support English Language Learners and help to increase their vocabulary bank.

The charts will help to expose students to a wide variety of words related to a number of themes.
